EXPERIENCE

Mr. Constable is the Principal of Constable Consulting, LLC. Constable Consulting, LLC provides economic consulting and damage assessment in litigated matters.

Mr. Constable has over twenty-seven years of experience with backgrounds in Litigation Support, Valuation and Statistical Analysis. He has authored and contributed to numerous valuation and litigation support reports which have been used in various courts and before the Internal Revenue Service. These include loss of profit margin for business interruption claims, written opinions and testimony assessing reasonable royalty rates for intellectual property claims and personal injury/ lost earning capacity analyses. Mr. Constable has been privileged to submit trial, deposition testimony and/or expert reports in United States District Courts, as well as the Ohio Court of Claims and County Courts of Common Pleas.

Mr. Constable has been responsible for the development of analysis for litigation support and the preparation of valuations of closely held business entities. He has worked on projects for firms in the manufacturing, distribution, retail and service segments in a diverse variety of industries with revenues ranging from under \$1 million to over \$1 billion. Interests valued include entity value, common equity, partnership interests (including Family Limited Partnerships), LLC interests, and interests subject to various contractual restrictions.

CERTIFICATION

As recognized by the International Board of Examiners of the American Society of Appraisers in March 2009, Mr. Constable was awarded the Accredited Senior Appraiser (ASA) designation in business valuation. This accreditation was the culmination of 10,000 hours of verified appraisal experience, four separate courses totaling over 100 hours of Society training in business valuation theory, completion of a fifteen-hour course on the Uniform Standards
